Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

The Woman's Tonic

Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic.
You yourself know best if you need it, or not.

If you do need it, do not delay, but commence to use it at once. Every day of delay, only lets you slide further

Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.

PENSIONS FOR EX-PRESIDENTS A bill designed originally to gran pensions of \$10,000 a year to ex-presidents as retired commanders-in-chief of the army and navy, and \$5,000 each to widows of ex-presidents, after being amended so as to deny the intended relief for ex-presidents, was reported fa-vorably to the Senate yesterday by Senator Shively. The provision for widows of ex-presidents was redrafted so as to make it apply specifically to Mrs. Cleve-land and Mrs. Harrison- Senator Mc-Cumber, chairman of the committee on pensions, favored the provision to pension ex-presidents, and made a minority report favoring the retention of that pro-

While there is no intimation in Mr. McCumber's report that he thinks Mr. Roosevelt is in need of financial assistance, he points cut that "a number of ex-presidents bave been sorely pressed financially to meet the obligations which rested upon them after their services as president, and which, with proper dignity they could not have been excused
